

Dear family and friends,

This is the schedule of our trip to N. Africa; please place it so that you will see it daily in hopes that you would commit some time to pray for us, the trip, our team members, and the teachers there. We are traveling as educators for the International School Project, a ministry of CRU. We are excited to see how God will use us to His Glory and for the purpose of advancing the Gospel. We will have two DreamMakers-DreamBreakers (DM) conferences, both to be held at the same location, with the teachers coming from two different areas. Approximately 120 teachers will be coming to each conference, invited by a team of in-country staff and educators. Prayer requests are in blue on the calendar below.
