

TRANSITION TIME FOR CRU

Dr. Steve Douglass, president of Cru, announced in April that he is stepping aside from his position. The selection and transition process is expected to be completed by the fall of this year. Please pray for the Board of Directors as they seek to select Cru’s third president in the ministry’s history from one of Cru’s qualified leaders either in the U.S. or from another country. Campus Crusade for Christ now (called Cru) was founded in 1951 by Bill and Vonette Bright.

COVID-19 Self-quarantine, social distancing, empty sports arenas and churches, rising unemployment, racial discontent, fear. When will it end? God is not surprised! “For I know the plans I have for you,’ declares the Lord, ‘plans for welfare and not for evil, to give you a future and a hope.’” Jeremiah 29:11 In the midst of the turmoil and major lifestyle changes all over the world, God is opening new avenues of ministry. The Cru campus ministry virtually disciples students one-on-one and in Zoom groups like they never could before, since students are mostly living at home. In ISP we connect virtually with many more teachers and our teachers around the world use these “non-normal” days to connect with other teachers. Prayer and discipleship meetings are held over the internet. Teachers organize roundtable discussions on relevant and heart-felt topics. Short films on the life of Christ are discussed. Spiritual conversations happen virtually! In fact, more people attend virtual events because they do not need to travel.

ECUADOR Recently 87 teachers in Ecuador logged on to a bi-weekly Zoom call with Mark and Sherry Rutkowski (ISP staff). Doctor of Communication, ISP speaker and author, Gary Stanley, spoke on the topic, “Finding joy during the lockdown.” Teachers were so excited for the call that many logged on 20 minutes early. We are blessed that Gary will bring the same message on a Zoom call, June 27th, with our teachers in Guam. Please pray for both existing and new teachers to join in on this Zoom call.

GUAM Velma was an enthusiastic participant in our Movement Launch Training (MLT) last August. After the MLT we met with her personally over dinner and we were so impressed by her love for Jesus and enthusiasm for the idea of a teacher’s movement in Guam. Soon afterwards, she began to meet for discipleship with Barb, one of the Core group leaders. When Velma joined the Zoom discussion group of the Rembrandt painting in April, her commitment and love for Jesus had only increased. Velma has now joined in on our weekly planning calls and brings leadership, vision, and passion to the group. Even now, during the Covid-19 social distancing, she volunteered to call every teacher we have touched so far to gather as many as possible for the June Zoom call.

Please Pray

- ✚ For God to bring an end to the Covid-19 Pandemic and to the racial divisions in our country
- ✚ That we will be able to schedule our next trip to Guam so we can meet with the teachers in person.
- ✚ Praise! We are so thankful for Joaline and Velma who continue to meet weekly for Guam prayer and planning.

Thank you so much for joining us in the vision to reach the world for Christ through teachers!

Love,
