

“You are the salt of the earth, but if the salt loses its saltiness, how can it be made salty again. In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in Heaven.” Matthew 5:13,16

HOW TO BE SALT AND LIGHT TO YOUR COLLEAGUES THIS WEEK

WEEK 1: PRAY

God encourages us: **“Devote yourselves to prayer, being watchful and thankful. And pray for us, too, that God may open a door for our message, so that we may proclaim the mystery of Christ” Colossians 4:2-3**

Prayer is a way you can be salt and light. God desires for you to talk to Him about what’s going on in your school and the lives of your colleagues and students.

This week choose two teachers you can be praying for daily. What do you think God might do in your life as you pray for them? What do you think God might do in their lives?

BEING SALT AND LIGHT TO YOUR COLLEAGUES!

It is obvious that COVID-19 is not going away, and life will not return to normal any time soon! The Movement Building Team of ISP (of which we are a part) saw a need to create some short online teaching tools to help equip and motivate teachers to be Salt and Light to their colleagues. In a collaborative effort, the team is excited to release a short and concise 6-week series of steps toward being Salt and Light in their schools. To the left is the first lesson of the first week. Each week a new aspect of being Salt and Light is discussed.

In addition, an organization called Lost Sparrows, made available to teachers a recording of an online seminar which deals with children in the classroom with trauma issues, called “Trauma Informed Classroom 101.” We pray that the Lord will use these resources to bring Him glory as we make them available to teacher communities around the world. If you are interested to know more about Lost Sparrows, you can check out their Facebook page.

PRAISE

- Our online Zoom seminar called, “Preventing Burnout” was very well received with Guam teachers. We are so thankful to Vivian Peebles, who lives in Atlanta and got up at 5 AM her time to give the talk! (For us it was 3 AM!)

Please PRAY

- That our son, Aaron, will have no lingering effects as he recovers from COVID-19
- For the 6-week Salt and Light series to be well-received with the teachers of Guam.
- That teachers will watch the online seminar on trauma and that they will also be salt and light to their students.
- For creativity as we seek to create community among the teachers in Guam and that the Lord will open opportunities to share their hope in Jesus!
- Please pray for wisdom for the Planning Team as they lead the Teacher Community in Guam (right).

As we celebrate Thanksgiving this month, we want you to know how thankful we are for YOU! Happy Thanksgiving to you and those you love!

With love and prayers,

Peter Candy Yost
